# Dipali Suresh Satalkar

MCA Student

LinkedIn QR

I am a Master of Computer Applications (MCA) student with a strong interest in Java development. My goal is to apply my technical skills in Java along with strong leadership and teamwork abilities to contribute effectively to organizational success. I am eager to learn, grow, and deliver efficient solutions in a dynamic work environment..

## Projects

### 1. Beauty Salon Management System

2024

**Tech:** PHP, HTML, CSS, MySQL **Role:** Developed Frontend & Database

Developed a web-based system to manage salon appointments and services. The system allows storing and managing customer booking details and maintains payment records efficiently with a responsive, user-friendly interface.

### 2. Fitness Club Management System

2025

**Tech:** Java

**Role:** Backend Developer

Built a system to manage fitness club operations digitally. The project handles member data and provides data security with structured record maintenance.

### 3. Portfolio Website

2026

**Tech:** HTML, CSS, JavaScript

Developed a personal portfolio website to showcase projects, skills, and professional profile. Designed a responsive and user-friendly interface using modern web design practices.
